Week 1: July 3 to July 7

Wild Week of Sports With Jamie Janzen

A week packed full of sports activities, friendly competition with a focus on sportsmanship, teamwork and athleticism. Jamie will guide the children through different sports, fostering confidence through practice, instruction and fun! Ability is secondary to interest and enthusiasm in this action-packed week for the young athlete in your family!

Week 2: July 10 to July 14 – Art Masters and Pirates with Suzette Terry

With a pirate theme we will explore printmaking, sculpture and painting. We'll create wanted posters for our baddest crew and build a pirate ship for our adventures with boxes and found materials. We'll create Totems to scare off the passerby's

from our treasure. We'll make small boats and see how they float! We'll create masks and costumes for our ghoulish crew! We'll even make jewelry to pack our treasure chests with! Many other group projects to inspire kids to collaborate, plan, build and play out their dreams.

Week 3: July 17 to July 21 – Wizarding Week with Candice and Teresa

Inspired by the Harry Potter Transfigured Town coming soon to Goderich, Candice Eason has prepared an entire week of magic inspired crafting. From designing and making your own wizarding hat and cauldron, to potions class and of course artisan wands to name a few.

“Join me for an enchanting wizarding week and complete all 8 magic themed crafts.”

Week 4: July 24 to July 28 ➔

Jamie is back to help the kids cool down this week. What better way to spend a week in Grand Bend than with friends and water-filled fun? Towels and swimsuits will be necessary this week as the children enjoy “soaking” in the sun and the excitement.

Week 5: July 31 to August 4

A Week of Art with Frances Martin

Join artist Francis Martin to explore creativity and the arts. This unique art fusion camp will teach an assortment of techniques such as drawing, painting, abstract art and using mixed mediums and collage. The students will combine these teachings towards a final one of a kind piece of artwork. We will encourage your child’s vision and imagination. Be inspired.

Week 6: August 8 to August 11

Art and Things with Lorraine Thompson

Art is not confined to paint and paper any longer! Campers will enjoy art in various forms, including multi-media applications. Creativity is an asset, not just in the making of art but in choosing the way art is created. Lorraine will help campers express their artistic talents in both traditional and non-traditional forms.
